

# BLACK RIVER

Mag 13.00  
 Sun Apr 06 21:36 1997  
 Scale 1:75,000 (at center)

Note: This is just a map of the area around a river. It doesn't say a thing about the hazards on the river, what precautions to take, or how to paddle. In 1996 people died paddling one of the creeks on this map. *Be smart.* Get all the information you need, make sure you have the skills, use the proper equipment, and take your own rescue with you.
